

MEMORANDUM

To	Member States		
From	AusDBF Board		
Date	11/12/2019	Document No	M-023
Subject	Update on Auroras Head Coach		

The AusDBF Board has been working on the Head Coach appointment now for a number of weeks and we are aware that members and paddlers are keen to hear an announcement.

We had planned to have the selection process completed by the 25th November but have had several areas of the contract still to be agreed and it would be inappropriate to make any announcements until these have been settled.

Chair - AusDBF
