<b>Subject:</b> AusDBF General Update 3 – November 2019	

Following a positive and productive AusDBF Annual General Meeting and General Meeting with its Members, AusDBF wanted to share with everyone achievements since the last update and what projects are on AusDBF's Agenda over the coming months.

## Pillar 1 - Governance

### Strategic Plan

AusDBF has now implemented its 2019-2020 Operational Plan. This is a living document; changes may occur as circumstances arise. To support AusDBF Strategic Plan and Operational Plan, AusDBF has implemented their Revenue Generation and Fundraising Strategy and Plan. AusDBF is seeking support from its Members to establish a Committee which it is hoped will assist in achieving the goals. <https://www.ausdbf.com.au/about/strategic-plan/>

### Paddler levy 2020-2021

AusDBF confirmed the paddler levy for 2020-2021 financial year would be - \$30.00 per person (adults) and \$15.50 per person (juniors)

## Pillar 2 – Development

- AusDBF is investigating software options to develop online e-training for the Coaching and Race Officials Courses which is expected to be launched early next year.
- AusDBF asks all Member States to remind Individual members of the correct process to renew memberships to avoid creating multiple profiles.
- By January AusDBF hopes to have uploaded details of all the Coaching Accreditation to individual member profiles within revSPORT, which will enable automated reminders when accreditation renewals are due.

- Over the last few months AusDBF has been slowly and methodically working through uploading Aurora's representation into revSPORT which includes recording Team Member, Team Managers, Team Captains and Flag Bearers. Asian Championships from 2010 to 2018 has been completed, World Cup Campaigns 2014 to 2018 and IDBF World Championships 2017 and 2019. There is still a lot of data to find and upload. To complement this work AusDBF has updated the 'Honour Roll'. If you notice any incorrect information or can assist AusDBF with any records please forward to [info@ausdbf.com.au](mailto:info@ausdbf.com.au) <https://www.ausdbf.com.au/about/roll-of-honour/>
- The AusDBF website is still a 'work in progress'. AusDBF appreciates your patience as the website is reviewed and reorganised and apologises for any inconvenience caused while documents and layout are being updated. If you notice any documents missing or have suggestions for topics or links you would like to see included, please forward to AusDBF for consideration – [info@ausdbf.com.au](mailto:info@ausdbf.com.au)

### Pillar 3 – Events

- 2020 AusChamps is progressing well. DBNSW Organisation Committee is working hard to provide positive user experience for all who attend.
- 2020 AusChamps will be the 25<sup>th</sup> Anniversary for AusChamps, AusDBF and the Historical Committee are working hard to produce a commemorative book for the occasion. If you ever wondered who attended the Championships in 1996 – click on the link. If you happen to know anyone who might have a copy of the missing Souvenir Books – let AusDBF know – [info@ausdbf.com.au](mailto:info@ausdbf.com.au) <https://www.ausdbf.com.au/events1/auschampssouvenirbooks/>
- Bulletin 1 for 2020 AusChamps is expected to be released by Sunday 15 December
- Following healthy debate amongst the Members, the consensus for future AusChamps dates was as long as they were held during the month of April, it was up to the host State to decide what timing suited them taking into consideration climate conditions and possibly daylight savings. Refer to AusChamps Operational Guidelines - <https://www.ausdbf.com.au/policies/>
- Another healthy debate amongst Members at the recent AusDBF General Meeting was the pros and cons over per paddler per boat entry fee for AusChamps.

### Pillar 4 – High Performance

- Following the appointment of the Aurora's Head Coach for the next 2 years – further information will be provided to members with regards to the Asian Championships in 2020 and IDBF World Championships in 2021.
