<b>Subject</b>	COVID-19 (Coronavirus) STATEMENT		

Australian Dragon Boat Federation (AusDBF) would like to inform the Dragon Boating community that we are closely monitoring the situation with COVID-19 particularly in relation to the upcoming Australian National Championships (AusChamps) Regatta at SIRC in Sydney. At this stage there are no changes planned for this event and it will be proceeding as published.

We encourage all of our competitors and supporters to practice the highest level of hygiene and follow the advice from the Department of Health in regard to self-isolating in an endeavour to limit the spread of COVID-19.

AusDBF has retained Emergency Risk Management Services (ERMS) as our risk management consultants and they are currently preparing a Pandemic Plan for us.

We will continue to monitor government directives and will keep our members informed as the situation develops.
