AusDBF is delighted to confirm the 2020 AusChamps are to be held in New South Wales at the Sydney International Regatta Centre (SIRC), Castlereagh Rd, Castlereagh (Penrith). The AusChamps have been held at this venue in 2000, 2007 and 2013, including the IDBF World Championships in 2007.

The NSW Org Comm have been hard at work for months with preparations for next year. AusDBF hopes with this early confirmation of dates and program, clubs will be able to start planning for next year.
