

# Memo – 008

## AusChamps / CCWC Exemption Application Request Form 21 May 2018

This policy will appear as Annex 3 to Part 1– in the AusDBF Competition Rules and Regulations (Edition 7) when it is released at the end of 2018.

Exemptions will only be considered if the following process is followed, otherwise exemption requests will not be considered.

1. All exemption requests will incur a \$50 administration fee per request which must be paid to AusDBF when submitting request. (attach copy of eft transaction)
2. If exemption has been approved, AusDBF will refund the club \$30 per request paid. \$20 will be retained as administration fee for processing request.
3. If exemption has been denied the \$50 administration fee is non-refundable.
4. All exemption requests must be signed by the State member and fully completed on application form prior to being submitted to AusDBF for consideration otherwise they will not be accepted.
5. All exemption requests must include all relevant information otherwise they will not be considered.

### *Examples of requests:*

*Our club is entering Senior A mixed and our regular steerer who meets age eligibility has a broken leg, can we use a Premier age steerer? Our club does have 2 Senior A steerers in the team who are our best paddlers and we would prefer them paddle and borrow a steerer.*

*We originally had a crew of 20 including drummer and steerer, however over the last few weeks, 4 our paddlers have come down with injuries and now unable to paddle. This now means we only have 14 paddlers + drummer + steerer. We are seeking permission to borrow 2 paddlers from a club who is not participating at AusChamps. The borrowed paddlers come from a new club and this would be a beneficial experience for the paddlers and help us out.*
