

MEMORANDUM

To	Member States		
From	AusDBF		
Date	23 March 2020	Document No	M-0034
Subject	COVID-19 – Club Training & related activities		

Further to the statement from AusDBF last week, the situation with COVID-19 is constantly changing and we all need to play our part in the efforts to limit the spread of this virus.

Consequently, AusDBF strongly advise that all our members and their clubs discontinue training and activities for the foreseeable future and abide by the government directives. If the dragon boat community co-operates, we should be able to limit the impact of these restrictions and can look forward to getting back on the water and competing next season.

Stay safe and look after each other.
