

MEMORANDUM

To	Member States		
From	AusDBF Board		
Date	12/12/2019	Document No	M-024
Subject	Auroras Head Coach Update 2		

Further to our memo on 11th December with regard to the AusDBF Head Coach role, we need to inform all members that we have been unable to settle on several areas in the proposed contract and will now be recommencing the process to secure a Head Coach for the next two years.

It is envisaged that a request for tender for both the Head Coach and Assistant Head Coach will be sent out in the next few days with a closing date mid-January. The job descriptions are currently being reviewed and we are moving as quickly as possible to re-start the process.

We will keep members informed via the website and a further memo once all the timelines have been established.

John Holland

Chair - AusDBF

Our Mission: To connect more people with the sport of dragon boating in Australia
